Chartered Accountants

Affiliations

Kausar Fecto & Co. is a member of two international alliances of accounting and consulting firms, The Leading Edge Alliance and Enterprise Network Worldwide.

The Leading Edge Alliance is an international professional association of independently-owned accounting and consulting firms. The Leading Edge Alliance enables member firms to access the resources of a multibillion dollar global professional services organization, providing business development, professional training and education, and peer-to-peer networking opportunities nationally and globally, around the corner and around the world.

Members are top quality firms who are very successful, have deep client relationships, and strong ties to the community. The Alliance provides members with an unbeatable combination: the comprehensive size and scope of a large multinational company while offering their clients the continuity, consistency and quality service of a local firm.

Member firms have access to the best and brightest teams of business advisors – a peer-to-peer connection that provides the right business solutions for clients.

The Leading Edge Alliance offers:

- Access to the best and brightest CPAs and business advisors - a peer-to-peer connection that provides the right solutions for clients.
- Innovative, practice proven strategies for improving performance in management, business processes, finance, operations, information technology and marketing.
- A leading knowledge resource for multi-disciplinary information and industry-specific expertise responsive to clients' unique needs.
- The strength and reputation to attract the highest quality team members.
- The Alliance offers accounting, tax and consulting services through a global network of firms.
- The Leading Edge Alliance offers world class business advisory expertise and experience with innovation, progressiveness and quality.
